

CHARACTERSTICS

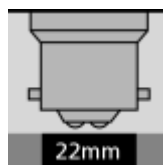

With its unique cross-cross glowing filaments, the light that emanates from these classical-looking candle lamps is smooth in contour and rich in tone. This 2.7W version is especially useful for areas without dimming control.

TECHNICAL SPECIFICATION

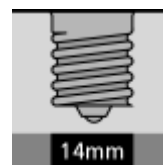

- 4 Watts replaces 40W
- Mains Dimmable
- 220-240V input voltage
- 20,000 hour life
- High CRI of 93+
- Clear finish
- Warm White (2,600°K)
